If any section, sentence, clause, or part of this Program is for any reason held to be invalid or unconstitutional, or the applicability thereof to any person, circumstance, or thing is held to be invalid or unconstitutional, such decision shall not affect the remaining portions of this program. The Department and the participants in the referendum and assent procedures to this Program hereby declare that it would have issued this Program and each sentence, section, clause, or part thereof, despite the fact that one or more sections, sentences, clauses, or parts thereof be declared invalid or unconstitutional.

ARTICLE XV- EFFECTIVE TIME AND TERMINATION

[Amended 5/19/12]

Section A. EFFECTIVE TIME.

This Program shall become effective on the date specified by the Department and shall continue in effect until suspended or terminated by the Department, or by operation of law in accordance with the provisions of the Act. In accordance with Section 59086 of the Act, the Department shall, at least once every five (5) years, hold a public hearing to determine whether the Program is effectuating the purposes and provisions of the Act. Successful passage of a major amendment substitutes for a continuation hearing and resets the timing for the next required continuation hearing. [Amended 5/19/12]

Section B. TERMINATION.

Pursuant to the provisions of Section 59081 of the Agricultural Code, the Department shall suspend or terminate this Program, or any provision thereof, whenever it finds, after a public hearing duly noticed and held in accordance with the provisions of Article 6 of Chapter 1, Division 21 of said Agricultural Code, that this Program, or any provisions thereof, is contrary to or does not tend to effectuate the declared purposes of provisions of the Act within the standards and subject to the limitations and restrictions therein imposed; provided, that such suspension or termination shall not become effective until expiration of the then current marketing season. The Department shall also suspend the provisions or terminate this Program in accordance with the provisions of Sections 59082, 59084, or 59085 of the Act.

Section C. EFFECT OF TERMINATION, SUSPENSION, OR AMENDMENT.

Unless otherwise expressly provided for in the notice of amendment, suspension, or termination, no amendment, suspension, or termination of the Program issued by the Department shall either (a) affect, waive, or terminate any right, duty, obligation, or liability which shall have arisen or may thereafter arise in connection with any other provisions of said Program, not so amended, suspended, or terminated; (b) release, condone, or dismiss any violation of said Program occurring prior to the effective time of such amendment, suspension, or termination; (c) affect or impair any right or remedy of the Department or of any person with respect to any such violation; or (d) affect any liabilities pursuant to the provision of this Program.
