

04.13.15

Taylor Farms, California, Inc.  
911-B Blanco Circle  
Salinas, CA 93902

To: HEARN KIRKWOOD  
7251 STANDARD DRIVE  
HANOVER, BD 21076

Taylor Farms California, Inc. is voluntarily recalling select bags of value added spinach due to an isolated instance in which a random sample yielded a positive bacterial pathogen. No illnesses have been reported to date.

This recall is specific to the item and code date described below:

Brand	Qty	Item	Code Date	Order# /PO	Ship Date	Shipped to:
TAYLOR FARMS	210	SPINACH CELLO 4/2.5#	092A27	SO-713984/ 2310788	4/2/15	HEARN KIRKWOOD

Please locate the above cartons and remove them from distribution. Once located, please complete the attached destruction Form and return to Jason Kawata at Taylor Farms California, Inc., at [Jkawata@taylorfarms.com](mailto:Jkawata@taylorfarms.com)

Your customer sales representative will be reaching out to you with specific details on product you have received, or you may call 831-754-1715 if you have any questions.  
Thank you for your prompt attention.

The recalled product has the code date of **YTF092A27** located on the front of the clear bag and outer carton. This voluntary recall does not apply to any other Baby Spinach or Taylor Farms products distributed anywhere in the United States. We appreciate your assistance in this matter.

Sincerely,  
Mark Borman  
President  
Taylor Farms California
